

Hoffman Consultants LLC

Cold-Formed Metal Framing (CFMF)

Capabilities Overview

We model CFMF in the structural BIM environment and find issues before you get to the field.

Ask our many repeat customers.

Services

- Metal stud shop drawings (plans, elevations, sections, 3D isometrics)
- Metal stud BIM drawings and coordination
- Engineered calculations for shop drawing submittals

For quotes: quotes@hoffmanconsultants.com

Send architectural + structural drawings and the 5400 specification.
